

TRIPLEX SFT

Cable surround for twisted single cable

Triplex SFT is a surround that is used together with alternative cleats on a twisted type of E-plant cable. The surround prevents the twist from opening between fixing points.

NB! Remember to order cleats in addition to SFT.

Triplex SFT

El. no.	Title cable surround	Cable size
13 184 01	SFT 31	24kV 50mm ²
13 184 02	SFT 36	24kV 95/150mm ²
13 184 03	SFT 43	24kV 240-400mm ²
99 86 60	SFT 51	24kV 630mm ²
