

ALPHA - ALP

Alpha, aluminium trefoil cable cleats

Alternative option to VRT + and Emperor trefoil cleat.

- * Made of aluminium according to BS EN 755.
- * Zinc plated steel bolt included to close the cleat.
- * To be attached with a 10 mm bolt (not included).
- * In areas where galvanic corrosion is threatening, will the cleat always be equipped with a "Low Smoke Zero Halogen" protection in polyester. The protection is mounted between the polyester and rung.

When order, please list the following data:

- * Diameter of one of the three conductors
- * Alternative type of fixing bolt. 10 mm / length.
